

The Bible is not a myth. Man did not write it. Nothing can destroy it.

The Bible reveals:

--the perfect mind of God, the lost state of man, and the **only** way of eternal salvation.

The Bible compares:

--the anguish of doomed sinners with the peace and joy-filled life of the **redeemed**.

The Bible's:

--doctrine is **holy**, its precepts are **binding**, its stories are **true**, and its divine decisions are **immutable**.

Read the Bible to:

--**receive** its instruction; **believe** its gospel that saves; and **practice** its law to be holy.

The Bible is:

--**true light** to direct you, **spiritual food** to sustain you, **great comfort** to cheer you.

The Bible is your:

--map, compass and sword **applied** by the Holy Spirit in authority over your adversary.

Your right response to the Bible assures:

--heaven's glory will be opened to you **or else** hell's gates will forever imprison you.

The Bible's subject:

--is God, the **Son**; its holy **object**: your **eternal good**; its **end**: God the Father's **glory**.

The Bible is designed to:

--fill your memory with **truth**, rule your heart by **love**, and light your path to **salvation**.

Read and study the Bible:

--frequently, prayerfully, humbly, honestly, respectfully and **through spiritual eyes**.

The Bible is the only:

--source of true **wealth**, **remedy** for lost souls, **revelation of** the Prince of all Peace.

The Bible is:

--**offered** to you in this life, will **judge** your soul in eternity, and is **forever** established.

Right handling and application of the Bible:

--**requires** your highest responsibility that will bring your greatest eternal **reward**; **mishandling** of God's Word will **condemn** you if you **fail to respond** to God's goodness and grace that leads to **repentant faith** alone, in **Christ Jesus** alone.

To be known by Christ Jesus —the Living Word —we know and obey His Word.
