

Bibleview[™] is an example of *portmanteau*, the blending of two distinct words. It is one of 13 distinctive teachings of **Paraclete Press Research Service, Inc.** **Bibleview**[™] identifies the exclusively biblical, limiting philosophy of this ministry. The view is spiritual, eternal, and vertically relational. It is contrasted with “Christian worldview” that is carnal, temporal, cultural, and horizontally relational. Yet, Christ’s body, the church, is not of this world. She is not sent to reform, condemn, or convert to Christian culture the lost or serve idols of this world.
