Jimmy DeYoung writes:

Though the Israeli government is not ready to build a Temple on the Temple Mount in Jerusalem, there are those that have made preparations to rebuild the Jewish Temple on the Temple Mount. God's Word does say that this will happen, **Daniel 9:27, Matthew 24:15, II Thessalonians 2:4, and Rev 11:1-2.**

The accusations by the Palestinian leader that the Israeli government is preparing to build a Temple on the Temple Mount are actually false. However, there are Jews that are preparing to build that Temple and all the preparations are finished indicating that Bible prophecy will indeed be fulfilled.

The fact that a third Temple will be built according to the Scriptures cited above is an element of the greater truth that national Israel will be redeemed and restored—in God's perfect timing. He is not "through with Israel" as many falsely claim. One resource that provides the Scriptural basis for that teaching is:

"...there are compelling scriptural reasons in both testaments to believe in a future salvation and restoration of the nation Israel."
