

**SummerSalon14 serves the purposes to:**

1. Affirm biblical truth compared to untethered spiritual error that is extant on the Internet.
2. Challenge visitors to a spiritual examination that confirms salvific faith and Bible belief.
3. Direct the faithful to correctly handle and study God's Word, recognizing its distinctions.
4. Caution the faithful that approved faith calls for separation from moral and spiritual error.
5. Model for viewers that we glory only in the Cross of Christ, having turned from idols.
6. Offer viewers a range of resources that edify Berean study by correcting false teachings.
7. Stimulate dialogue based on the above, providing opportunity to store up eternal reward.
